AUDITION TIPS

WHAT DANCE CLASSES DO I NEED TO TAKE TO AUDITION?

It is highly recommended that you are registered for 2 Ballet technique classes and 1 Modern Class more than 1 year in advance of the audition so that you are well prepared for Auditions.

YOUR SCHOOL GRADES

Your 7th grade average must be 85- 90 range.

The high schools will also look to see if you had any lateness or tardiness in the 7th grade and 8th grade.

ESSAYS

Some schools require students to write an essay on the day of the audition. Sometimes you will have a one on one interview.

CALL BACKS

Some schools will give you a CALL BACK. Call Backs require a second audition which will consist of ballet class, a modern and jazz class plus a 1 minute Solo.

1 MINUTE SOLOS

If you are auditioning for a school that requires an audition solo prepare the solo well in advance. Call Backs can be within a week of the first audition. **It is best not to wait until the last minute to prepare a solo.**

Lastly, check your high school book so you know what each performing arts high school requires for their audition process.

If you have any questions or concerns please call Ms. Maureen at 718.278.1567 or email dance@astoriadancecentre.com
